Thanks Stormy:

Just received word HUD has confirmed it does not need to approve the change. We're good to go.

Next up: Ms. Perry signs the Assignment & Assumption Agreement.

City Attorney transmits the ordinance creating the account and receiving the CRA-transferred funds & future payments from CIM.

Will get a payment schedule from EWDD staff.

CD13 to introduce a motion to allocate more UDAG \$ towards the Davis-Bacon shortfall...need the exact amount soon.

I am so sorry about this unexpected disruption.

Will be in touch again soon,
Jeanne Min

Jeanne,

It will not be yours to see or read my displeasure, I will hold my thoughts and wait for progress made by you and Councilman O'Farrell. I will be back in touch on Thursday. If there be anything you might need please advise me, I am at your service.

PRECEPTS:

The biggest quality in successful people, I think, is an impatience with negative thinking.. my feeling was, even if it's as bad as I think it is, we'll make it work.

Think all you speak, but speak not all you think. **Thoughts are your own, your words are so no more**

Common sense is a flower that does not grow in everyone's garden.
